- looking at dividing the enforcement + the engagement

- Prescriptive you are suggesting that as a result of your current enforcement activities

- want spend - to commit

Rob
Stewart

- ADT leading the way on the one

- local posture is that the federal govt has to be the first to initiate. (looking for a wave from the feds)

- Similar posture of our the province... looking at federal govt to step up.

- Agree with R. Stokely that we don't have the act now and we need a couple of days

- Also don't have the mandate to lead

political matters.
